

# Creativity with Boundaries (CwB) Operations Model

Scan to learn more about the  
CwB Operations Model

***Creativity with Boundaries...***  
*Partnering with HR leaders to enable  
and empower operations teams to be  
autonomous and own results*

# HR Leaders...

Are you struggling to achieve your goals with limited resources?

Is it difficult to complete projects or gain traction on your initiatives?

Are your front-line leaders left to fend for themselves?

Is it challenging to connect development programs with a tangible operations impact?

Are you taking the blame for ALL people-related issues?

Is work-life balance an impossible dream?

## We hear you! Let CwB help...

- **FREE** on-site analysis session
- Tailored learning & development program
- AI tools to streamline content development
- Methods to build autonomous teams
- Strategy that ensures all leaders are aligned
